**WOW, this one should not last long!**

**Come and feel at home in this four bedrooms and two baths home with 24x24' insulated shop and large  $\frac{3}{4}$  of an acre yard. The home has been modernly updated with a beautiful open concept that completely transformed the kitchen and dining areas. On the main level you will also find three bedrooms and one bath. A few steps downstairs takes you to the large Owner's Suite with vintage garden tube bath and a large family room. We are not done yet, a stroll onto the back covered patio lets you escape to a place of relaxation with two outdoor bar areas and a hot tub. Contact Scott Martin with Central States today at 800-499-6774 for your chance to make this your own.**
